### MINUTES

#### MEETING OF THE PLAN OF CONSERVATION AND DEVELOPMENT (POCD) AD HOC COMMITTEE THURSDAY, APRIL 24, 2025 (ZOOM)

Attending: Kristen Anderson, Fred Jones, Tom Kean, Paul Stoltze, Greg Sottile

The meeting was called to order at 7:32M by Committee Chair Greg Sottile.

The minutes of the March 27, 2025, meeting were reviewed.

**Motion:** Tom Kean/Fred Jones – Unanimous to accept the minutes.

Fred Jones provided an update on the Natural Resource Inventory. The project is coming along nicely. Fred's current efforts include developing additional content related to insects and culverts. The Committee expects the NRI to be completed and shared with the Town before the POCD is finished, possibly as early as September 2025.

Greg Sottile shared the first draft of the Community Survey. The survey is one of the key inputs to the POCD and the Committee is aiming to field the survey during the summer of 2025. The Committee reviewed the basic structure and content of the first draft and then engaged in a discussion of potential modifications and additions to the survey. The Committee's primary focus in the near-term is to finalize the survey and distribute it to Town residents to solicit their opinions on a range of POCD-related topics.

**Motion:** Tom Kean/Kristen Anderson – Unanimous to adjourn the meeting at 9:01PM.

Respectfully submitted,  
Gregory M. Sottile  
Committee Chair
